

# ANDRÁS NÉMETH

FRONTEND DEVELOPER

## ABOUT ME

I'm a frontend developer with a decade's worth of transferable skills!

I opened a sushi restaurant where I was the head chef for 4 years until I decided to build a career in tech.

## EDUCATION

### Le Wagon Web Development

- 9-week full-time intensive coding bootcamp
- Languages & frameworks
  - | HTML | CSS | JavaScript | React | Ruby on Rails | Bootstrap | SQL | GitHub | git | Heroku | Figma |
- Team projects
  - My team and I built two full-fledged web applications
    - A marketplace for chefs, where they can list their services
    - A QR code payment system for splitting bills

### Culinary Degree

- Professional culinary education 2010-2012

### Technical High School

- High School Graduate 2006 - 2010

## EXPERIENCE

### Chef 2012-2022

- Constant learning of new methods
- Worked in a **fast-paced** environment
